February Programs

We had several illuminating programs in February. Mike Hoffman, Director of Operations at Midwest Food Bank let us know about their growth and their relocation to a larger facility. Matt Dratt discussed Mid Central Community Action's work to help folks reach self-sufficiency. Madonna Courtright let us know that the Humane Society is good on food, but they need paper towels, wipes, pens, etc. DGE, Larry Howell shared his passion of Monarch Butterflies with us. Monarch's thrive on Milkweed, so there is a use for it after all.

Social Experience

We had a wonderful time getting together Sunday the 26th at the Lucca Grill. It was great to see so many members and get a chance to meet their families. For those of you that missed this fabulous opportunity we hope to have more like it in weeks to come. The next 3rd Friday Happy Hour is on St. Paddy's Day 3/17 5-6:30 at Maggie Mileys.

District Governor Elect Larry Howell discusses one of his passions, Monarch Butterflies
