## Great Programs in January

We were treated to some fantastic presentations in January. We kicked off with a business meeting where we discussed a club wide survey and looked ahead to 2017. This was followed by fascinating programs by Dr. Jeff Dickhut who discussed motion x-rays, Joe Ciccolo educating us about Bitcoin and Deb Hoelscher sharing her post retirement passion in the health field. January also brought us Keli Huhra as our President for 2018/2019 and Eric Schlipf got us a little closer to our goal of having all of our members become Paul Harris Fellows, when he received his Paul Harris Fellow + 1 AND THEN two weeks later he received his Paul Harris Fellow + 2

*Joe Ciccolo discussed BitCoin and his Company BitAML*

## Service Above Self

Rotary club of Tiruvannamalai, Rotary club of Bloomington Normal Sunrise/Daybreak, USA and The Rotary foundation jointly donated Anesthesia units to the Tiruvannamalai Government Medical College Hospital at a cost of Rs.21.5 Lakhs (US\$32050). Dedication function was organized at Government Medical College Hospital. The anesthesia units were dedicated by the Chief guest, District Collector Mr. Prashant M. Wadnere. Our District governor Rtn. Natarajan Nagoji was the guest of honor. Government Medical College Dean, Dr. R. Jayanthi, TRF, Chairman, Administration Rtn. K. S. Srinivasan, and Chairman, District Conference, Rtn. S. Muthu Palaniappan felicitated. The donors Rtn. Dr. Usha Kalyani, Rtn. Dr. K. Saiprasanna, PDG, Rtn. A. Sampathkumar were honored by the Collector. Members from all the clubs of Tiruvannamalai participated. It was a most satisfying project and proud moments for RC of Tiruvannamalai.

*Rotary Grant for Anesthesia Machines*
