## 2016 Year End Review

Our small but mighty club made great strides in 2016. We added three wonderful members, had fantastic programs, and participated in some outstanding service projects. Kunio Ota did a tremendous job scheduling informative programs. I can't wait to see what he has in store for us in 2017. Some highlights from our 2016 presentations included Salem 4 Youth, Toastmasters, The Tool Library, Special Olympics, Affordable Housing in McLean County, Wind Energy, and The Normal Theater.

*Kim Kaufman discussed Toastmasters*

## 2016 Service Above Self

Our small but mighty group expressed service above self at several events in 2016. Keli Huhra scheduled a myriad of opportunities where we could help in our community. Some of the highlights were Habitat for Humanity Restore, multiple trips to Midwest Foodbank, The Tool Library's Bed Blitz, Salvation Army Bell Ringing, Pennies for Polio, Cajun Craze 2016 benefiting Home Sweet Home Ministries, Festival of Trees for the Baby Fold, and Backpacks.
