September Had Great Programs

Not only did we have wonderful programs about the cemetery walk, but we learned how to be our best selves from Kevin McCarthy, and the desperate need for affordable housing in McLean County.

Evergreen's Cemetery Walk

September Service

Our small but mighty group expressed service above self at Habitat for Humanity Restore. Not only did the group spend the morning beautifying the grounds at Habitat, but this industrious crew also moved all of the Cajun Craze materials from one storage locker to another across town.
